

CITY OF LODI COUNCIL COMMUNICATION

AGENDA TITLE: Adopt Resolution Approving Purchase of Portable Bus/Equipment Lifts from Stertil-KONI, of Stevensville, MD (\$44,632), and Appropriating Grant Funds (\$47,000)

MEETING DATE: December 16, 2009

PREPARED BY: Public Works Director

RECOMMENDED ACTION: Adopt a resolution approving purchase of portable bus/equipment lifts from Stertil-KONI, of Stevensville, MD, in the amount of \$44,632.08, and appropriating grant funds in the amount of \$47,000.

BACKGROUND INFORMATION: A new set of four medium-duty portable lifts are required for the new Municipal Service Center (MSC) Transit Vehicle Maintenance Facility. These four medium-duty equipment lifts, rated at a total of 72,000 pounds lifting capacity (18,000 pounds each), will provide safe lifting capacity for the repair and servicing of City equipment, vehicles, and smaller transit buses and will be utilized on a daily basis.

The funding for the transit shop equipment is from Section 5307 Federal funds (FFY 2004/05). These funds were not expended as planned in previous years and, in accordance with the Federal Transit Administration, need to be expended by September 2010.

City staff recommends the purchase of these portable lifts using the United States General Services Administration (GSA) Cooperative Purchasing Program Contract No. GS-07F-5890R. The actual cost of the portable lifts is \$44,632.08, including tax. Staff recommends appropriating \$47,000 to cover contingencies for installation, start-up and training.

Per Lodi Municipal Code §3.20.045, State and Local Agency Contracts, the bidding process may be waived when it is advantageous for the City, with appropriate approval by City Manager and City Council, to use contracts that have been awarded by other public agencies, provided that their award was in compliance with their formally-adopted bidding or negotiation procedures. Purchasing the medium-duty equipment lifts utilizing the GSA Purchasing Program contract saves the City of Lodi money and time.

FISCAL IMPACT: Purchase of the medium-duty portable lifts for the City's new Transit Maintenance Shop Facility will allow services and repairs to be made more efficiently and safely.

FUNDING AVAILABLE: Requested Appropriation:
Federal Transit Administration (FTA) Funds (15079) \$37,600 (80%)
Transportation Development Act (TDA) Funds (125079) \$ 9,400 (20%)
